CHURCH OF GOD - 7th Day

Foreign Missions Dept.

ELDER MAX MORROW, Chairman
Post Office Box 31
Morrison, Colorado 80465

October 24, 1967

Pastor S. L. Hmaste
Area-House, Chandmari
P. O. Lunglei
Mizo District, Assam, India

Dear Pastor Hmaste:

Greetings to you and the saints of God with you in the name of Jesus and in the love that binds us together.

Certainly it was cause for rejoicing when I learned of you via Brother LeRoy Dais, manager of our Church of God Publishing House at Stanberry, Missouri. I hasten now to add to what Brother Dais has already written about our willingness to make available whatever literature we can to help you in the spreading of Bible truth.

I was very pleased to note that you identify your group of believers as Church of God (Seventh Day). This, of course, is the very name that we have, and is the only Bible-founded name--the 7th Day part, of course, is only added for identification purposes to keep from being confused with other Church of God groups that worship on the first day in honor of the sun. It would be interesting to know how such contact you have had with the Church of God (Seventh Day) and how you came to use this name. Could it have been through Mr. Armstrong's past connections with the Church of God (Seventh Day)?

By the map that I have it would appear that you are a considerable distance from the headquarters of our work in India. However, it is possible that we have workers much nearer you. Our general overseer of the work in India is Pastor P. Joseph, whose address is Church of God (Seventh Day), Sivarmopet, Bhimavaram, West Godavari (A.P.), South India.

I am sending Brother Joseph a copy of this letter, along with a personal letter to introduce you to him. He will, I am sure, be very glad to hear from you and to work with us to come to a mutual understanding of one another's work and to strive for a co-ordination of effort.

May the Lord bless you as you study the literature that Brother Dais has sent, and may our God give you understanding in all things.

I shall be eager to hear from you further when it is convenient for you to write.

Yours in the cause of Christ,

Max M. Morrow
